DIRECTOR
OF THE
MINT

Greetings from the U.S. Mint:

The 1996 Atlanta Centennial Olympic Games celebrate a unique moment in sports history: the 100th Anniversary of the Modern Olympic Games. To commemorate this historic event, the United States Mint is proudly producing the only official U.S. Coins of the Atlanta Centennial Olympic Games.

From now until August 18, 1995, you have the opportunity to acquire these coins — individually or in sets — at special pre-issue prices. After that, these substantial savings will no longer be available.

These four magnificent coins, the second set in a series of 16 designs we are issuing, can be yours, preserving the images, the excitement and the glory of the weeks in 1996 when the whole world comes to Atlanta.

Olympic pageantry and some of the Games' most exciting competitions are dramatically represented in this series — from the explosive power of the cyclist and the speed of the sprinter to the versatility of the baseball player and the modern majesty of Atlanta's Olympic Stadium.

I think you'll agree this special opportunity is too good to be kept a secret. That's why an additional brochure has been enclosed for friends or relatives who would be interested in sharing these historic Olympic moments. Please feel free to pass it along to anyone you believe would appreciate the savings and the opportunity to own these unique gold, silver and cupronickel commemorative coins.

And in case you missed the first four coins in this unique series, they have been included on a special order form. Take advantage of this opportunity to capture the spirit of the 1996 Atlanta Centennial Olympic Games and get the complete series.

Cordially,

Philip N. Diehl
Director
United States Mint

P.S. Remember, to receive the special pre-issue savings, your order must be postmarked by the August 18th deadline.

REMEMBER THIS HISTORY-MAKING EVENT WITH YOUR VERY OWN ONCE-IN-A-LIFETIME COLLECTIBLE

The first four coins of proof and uncirculated gold, silver and cupronickel United States Olympic Coins of the Atlanta Centennial Olympic Games are still available.

Some of the most exciting competitions in the Olympic Games are represented — from the precision of the gymnast and the speed of the track runner to the agility of the basketball player.

And for the first time, the Mint offers a silver dollar coin honoring the world-class athletes of the Xth Paralympiad, which will be held immediately after the Olympic Games and includes 4,000 disabled individuals from over 100 nations.
